

National Horse Show Planned for Village in April

Program Started By Ass'n

Noted California Horseman to Advise Village Enthusiasts

Romance and glitter of a national horse show will add to the fame of Palm Springs during the first week in April.

This was decided at a meeting of the Palm Springs Horseman's association at the Desert Inn yesterday noon when S. E. Kramer, noted authority on Horse Shows, came down from Santa Barbara to address the Horsemen's association and advise them on steps to be taken to stage the event here. Dates were tentatively set for early in April.

DIRECTORS of the association were enthused by what Kramer, considered one of the finest horsemen on the coast, told them.

Frank Bogert, president, appointed a committee forthwith to inaugurate plans for a show here in the Spring.

Enthusiasm was rife and Barney Hinkle told those present that his organization, Ransom and Hinkle, would underwrite part of the show to the extent of \$500. Other sponsors for the event will be sought.

THE HORSE SHOW, which Kramer warned would have to be "tops" in the country or he would not have anything to do with it, will see some of the finest horseflesh in the country perform in 20 different classes.

The show committee consists of Tony Burke, chairman, Phil Delano, Frank Bennett, Hilton McCabe, Bill Grant, Hutch Moseley and Milton Hicks. Kramer will act as advisory director and Ray Simmons, Portland, as an ex-officio member.

Atomic Bomb, where is thy sting! They're making cars that take to wing.

A disturbing factor in the current news is this new combination airplane and automobile. . . They're making them now and they have been demonstrated successfully. . . You get into 'em in the congested downtown areas, drive until you find a clear spot, push a button, the wings pop out and off you go into the blue. . . Can see several obstacles ahead before the idea is practical. . . First, where is one going to find an uncongested place on the highways as of today. . . Second, they've got to get rid of that smog before there's any blue in the L. A. area. . . and third, and most important—if they fly 'em like they drive 'em, Uncle Joe can quit worrying about the atomic bomb.

SPEAKING of driving—Herb Samson of the Samson Insurance service (the 's' in 'service' is lower case otherwise this might come under the head of advertising which is out of my department) is spending his good money in publicizing a letter to motorists which I think is doing a real Service (cap 'S' on that one). . . It should make people do a little thinking, which is a good idea. . . Perhaps it will be THEIR car, or THEIR child. . . They say a steady drip will wear away the hardest stone. . . So a constant reminder to the thoughtful drivers (I almost said drips) may finally get the idea across that it takes eternal vigilance to prevent accidents. . . As the letter sets forth, you cannot expect a child to remember all of the warnings and admonitions of his parents to be careful of automobiles. . . You didn't remember when you were young, did you? . . . Therefore it's up to motorists to do a part of a child's thinking. . . A youngster of tender years on the curb should be an automatic stop or at least, caution signal, to all careful drivers. . . By the way, I intended to write it "Samson insurance service" even keeping the 'i' small, but force of habit got the best of me. . . I just can't keep away from capitalizing that 'I'.

HAVE YOU taken a driver's test lately? . . . My license still is good for a couple of years so the following is heresy, which is a bad thing for any newspaper man to heed, but this is Sunday and my day off. . . Anyway, from what I hear from people who have taken the test lately, the boys in Sacramento are tripping

ALL'S WELL—Diana Kennedy, 2½, talks it over with Gordon Brady, taxi driver, who found her Saturday after she had been lost. (Desert Camera Shop photo.)

This Infant Really Toddles

Child, Two and One Half, Found Eight Blocks Away, Walking Back Toward Point Where Lost

How far can a youngster, aged two and one half, walk in an hour's time? Little Diana Kennedy of tender years, was separated from her mother, Mrs. Tom Kennedy, in the Safeway store crowds in the 200 block Saturday. When found a little later she was walking south in the 1000 block.

Her father, of the Desert Camera Shop staff next door, when apprised his daughter was missing, notified police at once and Rene Osborn, desk clerk, got busy on the police radio. Taxicab drivers from Tanners were alerted, too, and Gordon Brady, 19, driver,

found the child walking back toward town near the El Mirador garage, 1090 North Palm Canyon. She was well fortified with a bag of grapes and to all questions of how she got away up there she said: "Just walked."

Popular Local Couple Wed

Mrs. Josephine Sprague and Gordon Feekings, well known and popular Villagers, were married last Friday at 4 p.m. at the Emmanuel Presbyterian church, Wilshire and Berenda, Los Angeles, it was revealed here yesterday afternoon.

Dr. Paul C. Johnston officiated at the ceremony.

The bride was attended by Mrs. Merrill Crockett and Don Maher was best man.

A wedding dinner at the Ambassador hotel followed the ceremony.

Mr. and Mrs. Feekings returned to the Village last night and will make their home at 775 Paseo El Mirador.

Contest

Vandals Score Victory Over Tahquitz Twisters

Village Vandals with a total of 67,500 points, won The Desert Sun subscription contest which closed Nov. 30 with the Tahquitz Twisters coming in second with 27,500 points.

Barry DeVorzan scored the most number of points with 26,500 and Betty Wright, although she had more subscriptions, was second with 19,750. Her subscriptions were for shorter periods.

Mary Pendery was high for the losers with Jackie Kingsbury second.

Some belated subscriptions are still coming in and when all are received, prizes and commissions will be awarded the ten boys and girls of the two high school teams which competed.

It's a Girl!

Slaughter Family Greets New Arrival

A baby girl was born Sunday to Mrs. Warren E. Slaughter, wife of the assistant city attorney, at Riverside Community hospital.

The little girl, who has been named Noreen Catherine, weighed seven and one half pounds at birth.

Yule Splendor To Glow Here

Beautifully decorated outdoor Christmas trees, doorways and driveways will be aglow at the Yuletide this year in Palm Springs under a program adopted this week by the Palm Springs Garden club.

The club will sponsor a contest for outdoor decoration of homes, with appropriate prizes going to winners in several divisions. Mrs. George Mannington and Horace Pendery have been named a committee to make plans for the contest. Details will be announced in the Village's newspapers in the next week.

Tentative plans call for a simultaneous switching on of the displays on Monday night, December 22. The decorations are expected to lend greatly to the Yuletide spirit throughout the holiday period.

The contest will be open to every resident in Palm Springs without entry fee or other responsibility, the club decided. Prior to the war similar contests were held here under the sponsorship of the Woman's Club and thousands of persons drove here from many parts of Southern California to see the startling display of the Christmas decorations against the desert's clear night skies.

First Call for Christmas

Postmaster Gorham, Looking Ahead To Record Yuletide Rush, Issues Appeal for Early Mailing

Postmaster R. M. Gorham sounded the first call for Christmas this week.

"Arrange your Yuletide shopping schedules so that you can mail your packages and gift cards early. Avoid that last minute jam at the windows!"

To assure delivery before Christmas Day, the postmaster advised that mail destined for out-of-town spots be mailed before December 10 and that greeting cards for local delivery should be mailed by Dec. 15.

"Put 'Do Not Open Until Christmas' stickers on your early mailings," Gorham advised.

CHRISTMAS MAIL this year will set new records for the Palm

Half Million Mark Again Topped Here

Record for Year to Date Over 5 Million With Many Homes Built

Palm Springs building permits for the eighth straight month topped the half million dollar mark with P. M. Swart, building department head, reporting yesterday that 76 permits issued during November totalled \$538,830.

Of the permits issued 35 were for dwellings, amounting to \$383,460. Commercial building permits for the month amounted to \$23,000 and swimming pools, alterations and additions totalled \$32,170.

Total value of permits issued for November, 1946, were \$137,350.

Permits for the eleven months ending November 30, amounted to \$5,218,940 as compared to \$6,547,330 for the same period in 1946. The difference showing more than one million more in 1946 is accounted for in the flood of permits issued during March of that year, when building material controls were threatened and persons wanted to get permits before the restrictions became effective. Since the lifting of controls at the end of March, 1947, building permits in the Village have averaged \$550,000 per month.

Not Inside City

Two Youths Lose Rifles For Careless Usage

You can't shoot rifles within the city limits.

Two Village youngsters found that out Friday when they were brought into police station by Officer Howard Poe.

Their arrest followed reports of Wayne Morris, 12, that the bullets came uncomfortably close while he was hiking along Skyline trail.

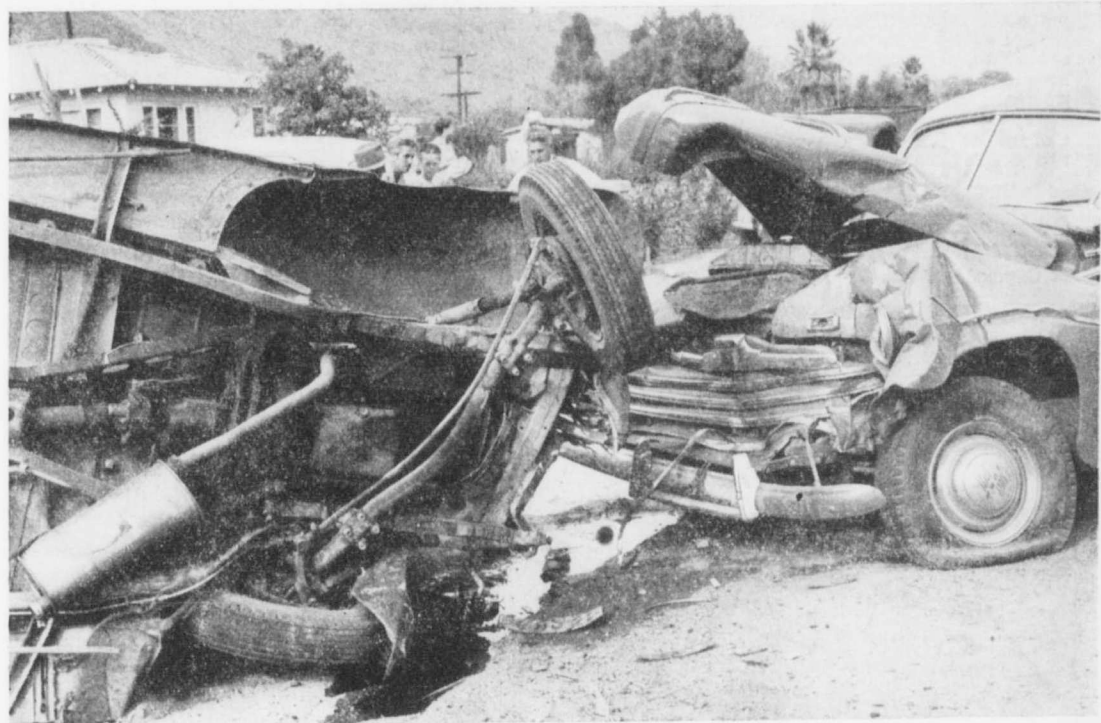

The rifles were confiscated and the youths released on their promise not to shoot within the city limits again.

Finder of Valuable Papers Asked to Return Them

An army discharge, a document which cannot be replaced, contained in a wallet was reported lost by Richard Van Vorst to police Sunday.

In addition, Van Vorst said the pocketbook contained personal papers of sentimental value. The finder is asked to deliver the wallet to the Desert Inn and keep the money it contained as a reward.

Aitken Named President of Teen-Target

Morie Aitken was elected president of the Teen-Target in balloting last week, Milton Ferris, director of the Center announced Saturday night as members of the Welfare and Friendly Aid association, city officials and others interested in the youth project were special guests at a barbecue.

Other officers named were Joe Flavin, vice-president; Nancy Nye, secretary; Brownie Brown, treasurer.

NEXT WEEK the executive committee will be named and chairmen of the various committees to operate the Target appointed. The project is managed and operated by the Youth Council which meets Tuesday evenings. No meeting of the council will be held tonight and the appointments will be announced at the next meeting.

The officials were elected in spirited voting last Tuesday, Wednesday and Thursday following announcement of candidates at last week's council session.

THE BARBECUE Saturday night was prepared by Tony and Ellen Biavasi and was a huge success with long queue of Teen-Target members and their guests lining up for the excellent dinner.

The regular Saturday night dance followed the barbecue.

Hospital

Wants Motorists to be A Little Considerate

Members of Palm Springs Community Hospital board meeting last week heard a plea that a campaign to acquaint motorists with the need for quiet when passing the hospital be inaugurated.

Too many of them have forgotten there is a hospital there, it was reported, and sometimes even the ambulance, hurrying to an emergency call, has trouble getting into the grounds.

Reports of a successful year were also presented and the Junior Red Cross thanked for the Thanksgiving Day cards they presented the hospital which added cheer to the Turkey Day dinner of the patients.

Ermine Stolen

Thieves Loot Two More Parked Automobiles

"Car clouting" or pilfering of parked automobiles continued in the Village.

Latest victims to report to the police that their automobile doors had been pried open by thieves were: James G. Charlton, 1918 Grace avenue, Hollywood, and Mrs. A. T. Barrie, 1563 South Palm Canyon drive, who said that a \$1,000 ermine cape had been "lifted" from her car.

Head-On

But Occupants Escape Only Slightly Injured

A spectacular head-on collision between two automobiles near Sips and Snacks, resulted in only minor injuries to passengers and drivers Friday.

Following the accident Matthew E. Pablo, Morongo Reservation Indian, was cited for reckless driving by Officer Howard Poe. Before Judge Eugene E. Theriault, Pablo's sentence involved six months suspension of his driver's license and 30 days in county jail, suspended providing he reimburse the owner of the other automobile.

Taken to the hospital and treated for abrasions and contusions were Andrew J. Radelet and his mother Janet, 60, Pasadena.

Loses 4-Day Battle for Life

Second traffic death this year in the Palm Springs area, was listed Friday night at Palm Springs Community hospital when Lyle Kinslow, 33, succumbed to injuries.

Doctors had tried for four days to save his life, the accident occurring Monday at 4:35 p.m.

Kinslow, the right side of his face fractured and suffering a brain concussion never regained consciousness. During the last 48 hours he developed bronchial pneumonia.

The accident occurred when Kinslow, attempting to avoid a collision with an automobile about to turn left in front of him, lost control of his car. The vehicle turned over twice in the sand when it left the road near Tramview Village on Highway 111.

Dec. 18 New Date Fixed for Benefit Dance

Date for the Welfare and Friendly Aid Association's big benefit dance for the Teen-Target has been changed from Dec. 11 to Dec. 18, Mary Jane Hicks and Barbara Hinkle, in charge of arrangements, said yesterday.

Cause for the change was listed as "conflicting dates" which would prevent many who had expressed an eagerness to attend, from getting there.

The dinner-dance, to be held at the Racquet club, will be one of the season's high-lights and, coming just a week before Christmas, will take on a Yuletide festival air.

Proceeds from the dinner-dance at which there will be surprise entertainment, will go toward wiping out a deficit in the building fund raised to erect the Belardo road center for teen-agers in the Village. Reservations may be made by dialing 7543 or 3432.

Tomorrow

Don Artz is temporary chairman of the group. Membership applications may be obtained at the Chamber of Commerce office, 310 North Palm Canyon drive and at many downtown business houses and offices.

The PUBLISHER'S Corner

by OLIVER B. JAYNES

FIRST LINE OF DEFENSE against an attack on the United States is the Air Force. It doesn't take a military expert to realize this. And yet no other than the Chief of Staff of our air force, Gen. Carl A. Spaatz, recently declared that if faced with war now, the United States Air Force could not hope to win it. This alarming situation is caused by lack of men, planes and material.

Gen. Spaatz and his advisors have gaged the minimum air strength necessary to protect the nation at 70 groups, fully equipped and trained. What have we? The present schedule calls for a maximum of 55 groups to be in readiness by 1949. The men and equipment are good but we don't have enough of either.

A good organization of our air arm has been set up. It is divided into three combat and five supporting commands. The combat commands are strategic, tactical and defense. The five supporting commands provide transportation, communications and services. The framework is good but the building is coming along too slowly.

MOST FEARED by any aggressor would be a strong United States Air Force. The enemy's reluctance to start a war, and his handicap in carrying on, is in direct proportion to the power and readiness of our mobile striking force. This striking force must be able to operate half way around the globe.

The men of the air force feel that the importance assigned to a powerful air arm is not over estimated. No other branch of the service can be prepared to intercept the enemy before he reaches our soil, or to carry destruction to the very heart of his industrial centers instantly upon opening of the attack.

Our Air Force, like the other services, was demoralized and all but destroyed by the rush to demobilize. We realize now that it was a mistake but are slow to take up arms again in the vital program of national security. Many people believe that this nation should arm to the teeth as rapidly as possible and adopt a universal training program at once. What do you think?

County Nurses Issue
40-Hour Week Edict

Registered nurses employed on the staff of Riverside Community Hospital have served notice on the hospital management that they will work only 40 hours a week after November 30.

The move is in line with a program initiated by the California State Nurses' association more than two years ago and put into effect by most California hospitals.

If everyone in the Village doesn't know by now, the following is a fact:

That when the Los Compadres decide to hold an event they do it up, but good.

Last Tuesday evening members of the popular riding club held their annual thank-you shindig in honor of retiring officers.

Long before the remains of the dinner were cleared from the tables of the Doll House where the event was held, the party was under full steam.

There was dancing, singing and innumerable toasts to the good health of Wall Spalding, retiring president; Hutch Moseley, past vice president; Earl Hough, outgoing secretary and Harry Irwin, who was re-elected treasurer.

Credit for arranging the affair went to chairman in charge, Bill Chinn.

Ordinarily the Doll House is "hopping" with patrons but on this night closed but for this private party. The Los Compadres had the place "jumping".

I saw you barely miss a little boy on a tricycle this afternoon and heard you yell "Get the h --- out of the way. Don't you know any better than to ride in the street?" He didn't answer because he hasn't learned to talk very well yet, so I'll answer for him.

No, the little boy doesn't know any better than to ride his tricycle in the street. He has been warned not to, but little boys don't always heed warnings. Some adults don't either, especially traffic warnings, and those limiting the speed of automobiles.

I'm going to tell you something about that little boy. He has a mother who endured considerable inconvenience, anxiety and suffering to bring him into the world. He has a father who has worked hard and made many sacrifices to make him healthy and happy. The supreme purpose of their lives is to have their little boy grow up to be a useful man.

Now stop a minute and think. **IF YOU SHOULD KILL A CHILD, HOW WOULD YOU FEEL FACING HIS PARENTS?** What excuse could you give them for having robbed them of their dearest possession? More important, what excuse could you possibly offer Him whose Kingdom is made of little children?

Children, my hasty friend, were here long before you or your automobile were thought of. All the automobiles on earth are not worth the life of one little boy. We don't know what that little boy may be some day, **AND WE COULD GET ALONG WITHOUT YOU**, but we can't spare a single little boy in Palm Springs.

Mandatory School Holiday Measure Now Under Study

Aroused by Palm Springs High School principal, Dr. E. E. Oertel's request recently, concerning the state law of mandatory school holidays, Senator Nelson Dilworth and Assemblyman Philip L. Boyd this week proposed an amendment to the State Legislative Council to make optional to areas under climatic handicaps, holidays other than Christmas, New Year's, and Thanksgiving Day.

During the war years the law requiring school holidays, such as Armistice Day, and Lincoln's and Washington's birthdays, was made optional because of the war emergency. But now the previous law has been put back into effect, no exceptions being permitted.

Dr. Oertel has given several reasons for special consideration of this desert area in letters to our state representatives. He stated that in this climate it is difficult to have the minimum school year of 170 actual teaching days, because of the necessity of starting school after the middle of September and finishing before the end of May.

If patriotic holidays are interspersed between September 15 and May 30, the school year must be extended beyond June, if we are to have the required minimum of 170 actual teaching days, and going past June in this desert area is clearly undesirable and impracticable, was his conclusion.

COURTESY BEGINS AT HOME?

They say courtesy begins at home, but it seems as if some students at P.S.H.S. haven't learned what they should at home. Maybe they ought to try a little courtesy at school toward their teachers and fellow students.

Talking back to the teachers is one of the most disrespectful things a student can do; after all, the faculty is a little older and better educated than we are. They were placed here to teach us what they know and if we know as much as they, then it wouldn't be necessary to have schools.

Students without courtesy are like a flower without petals, part of the loveliness gone.—Joyce Buck.

May We Introduce

It gives me great pleasure to introduce to you our new student, Betty Jane Tuttle. She was born at Long Beach, California. The last school she attended before coming here was Banning high school. She is a senior and is 18 years old. Her hobbies are collecting pictures of her friends and collecting records. She says her favorite food is fried chicken—yum! And Spanish food. The schools she has attended in the past years are: John Muir junior high, L. A.; Cabrini Villa academy in Burbank, Banning high school, and last but not least, Palm Springs high school.

She says she likes it here very much. As I said before, her name is Betty Jane Tuttle but she would much rather have you call her by her nickname, Sandy.

She really hasn't a lover as yet. She's a very nice girl with a very nice personality.

Radio Show Put On by Students

Last Tuesday, from 1:45 until 2:00, the Palm Springs high school chorus and speech classes presented a program of music and poetry over station KCMJ. Charlotte McKnight was the announcer and narrator of the program. The poetry selections were recited by Richard Day and Mabel Potter.

The high school chorus sang "The Whiffenpoof Song", "Dry Bones", and a Christmas carol, "Angels O'er the Fields". As a special feature, the Junior High School chorus sang two Thanksgiving songs.

Moral Housekeeping

By LOLO VALLIER

Take a room that people live in for a long time and watch it carefully. Slowly but surely if there is no thorough housecleaning various things begin to occur. The furniture breaks down, wears out, or at least gets a little wobbly in certain places. There is always something in the way to stumble on, and after a time the roomers begin to tread on the very things in the room they once treasured most.

Morals are the same way, and now and then it's best to have them aired out a little. Small corner discussions aren't going to do any good. Maybe this column isn't either, but we can try.

HERE'S WHAT Morie Aitkin has to say on the subject of respect. "I don't respect a girl who will fall for any line she's tossed, but I don't think it is always the girl's fault. Too many boys in this room have one track minds (if you can call them minds), and I certainly hope something can be done about this situation." That's a pretty strong statement from a male of the species, so switch that track, boys.

Now Brownie Browne who happens to be one member of the weaker sex expressed a different opinion. "I feel that even the nicest boy will go as far as the girl will let him," she said, "however, if he really likes her he will respect her enough to watch himself. This situation on the whole is aroused because high school students are at a curious age, if you know what I mean." Curiosity killed the cat so if you're a cat, hep or otherwise, watch your step.

TONY JUPE agreed with Brownie and said, "I think the majority of boys and girls in this town have pretty fair morals with only a few exceptions (drinking in some crowds). If the parents would tell their children the truth about things a little sooner perhaps their curiosity would be

satisfied and they wouldn't try to find out for themselves."

Virginia Miller, who is inclined to have her own unchanging individual opinion on any subject, spoke with strong emphasis as she said, "I think the majority of girls in Palm Springs should demand more respect from the boys and the boys should be willing to give this respect."

HOWEVER, people in Palm Springs have become panicky and hysterical about all this before. Nothing has been done and I don't think anything can or will be done to change these conditions.

When accosted by the Inquiring Reporter, Joyce Buck wrinkled her brow, rested her chin in her hand and then said, "Talk is a most dangerous weapon." A very wise observation!

WELL, THE CONSENSUS of opinion for this week can all be summed up in these few words: "You can let your hair down without stepping on it."

Voted... MOST POPULAR MAN

IF a vote were cast, or a Gallup poll taken, to determine the most popular man in the United States, the Telephone Installer would probably win hands down.

His popularity today is boundless, his ring of the doorbell like beautiful music, and his announcement, "I've come to put in your telephone," like the words of a song.

But the Telephone Installer is not only a man in demand, he is also a man in a hurry, who sometimes feels that catching up with the calls for his services is like running after one's hat. New applications come in just about as fast as he can take care of the old ones.

Our installers are moving ahead as rapidly as available facilities permit. They are putting in some 500 telephones per month over our system but there is still a vast amount of construction work to be done before all waiting applications can be filled... and so we ask for your continued patience a while longer.

What Goes on in Palm Valley

By DON CAMERON

Doc Gurley scores again. This time he bought the showplace of Palm Valley, the famous Blicke Ranch. This outstanding ranch is a landmark located on Highway 111 just west of Indian Wells. The five-bedroom house with an enormous swimming pool and stables, envelopes a long range view of its colorful surroundings and it sits on a giant sand dune just above the road. Back of this is 80 acres in dates and grapefruit. Knowing Gurley's love of grapes, even above Chevrolets, (he owns the Indio and Bell agencies), I can see acres of Thompson Seedless blossoming in no time.

Another newcomer bought the purple house on Sahara road in Rancho Mirage next to Lee and Frank Ryan's white house. He is Dr. Frank W. Stockton with his wife Miriam. Dr. Stockton is associated with Dr. Joseph A. D'Alessio, Palm Springs physician and surgeon, in the Medical Dental center. Dr. Stockton not only rates high in the dental profession during his thirty years experience, but specializes in Orthodontia.

SOMEHOW IN THE PAST, skipped mentioning the Miss Debutante Women's Shop. This attractive place is in Palm Village and has been opened several weeks with Mrs. R. L. Taylor and Mrs. Grace Hume operating it. Grace is well known to all of us out here since she and her husband Rocky owned and managed the Palm Village Inn until its sale to Doc Gurley. What does this guy Gurley do with all these places? It's not fair to mention Graces' new store without pointing out the swell job Betty Blecker and Lois Fackler are doing with their Palo Verde Women's Shop in the Rancho Mirage Plaza. Betty's popular German shepherd, Topper, just blossomed forth with a litter of puppies and everyone out here is trying to talk her out of one. According to the latest tale, only one black female is without a home.

BILL REICHEL solved my watering problem with the gift of Sambo. Where he got him is a mystery, but you should see him work! Sambo is a mechanical colored boy with a sprinkler in his hand swinging it and turning around as he works. He hasn't missed sprinkling any of the office windows and cars that come through the Palm Dell road

Desert Hot Springs Happenings

In Desert Hot Springs a large bathhouse is under construction with one part of the 'L'-shaped building on the west for men and the part on the north for women. Last January the old bathhouse was burned to the ground and L. W. Coffee, owner, has been supervising the building of modern structure.

Here, treatments will be given by experienced masseurs and masseuses with steam baths and bathers in the hot mineral water provided.

In front of the new building are large oleanders and palms that for some miraculous reason were not destroyed by the scorching fire last January.

The swimming pool, which did not burn, and is connected with the bath house, has been the scene of many interesting activities. Ben Carpenter gave swimming instructions for the American Red Cross here for the last two years. The Fiesta Del Desierto on Oct. 25 featured a water carnival with many of the expert school children performing in diving and swimming skills. The first Bath Beauty show was held here on the same day.

The new bath house will probably be completed by the first of 1984 but some parts of it will be ready for use even before that time.

either. Between the folks watching Sambo and the cute Sweater Girl in the office, it's hard to keep their minds on real estate.

Down for the holidays, Norman Williams of Palm Village, Frank and Alma Morgan, Ronald and Gladys Button, Reefa and John Deaton, the Dean Vincents and Earl Nittinger. Away for the holidays, Zelma and Ward Copley, owners of the new store just west of the P. D. office. Young as this couple is, their work for the AMVETS is terrific. Amos and Nell Odell off to Thanksgiving dinner at their Balboa home. To Piedmont, Bill and Helen Reichel and their guest of a week, Norma Knowland, wife of publisher Russ Knowland of the Oakland Tribune.

Barney Ostrow, well known former Palm Springs restaurateur and winter resident, and Mrs. Ostrow were visitors in the Village last week, greeting old friends.

Ostrow has sold his Club Vesuvio in Hollywood and purchased the Navajo ballroom at Big Bear. He has been on the sick list for a while but is feeling fine now, so he says.

The Ostrows have leased their winter home here and plan to spend the winter at Big Bear, later going to Arizona for a brief stay and planning to come here in January for the rest of the season.

Palm Springs Ends Season With 21-0 Win Over Blythe

Palm Springs high school's Indians closed the 1947 season with a victory when they rambled into pay dirt three times in the first half at Blythe Thanksgiving Day and defeated Blythe high 21 to 0.

The Indians scored twice in the first period, Styers going 40 for a t.d. on a double reverse and a pass, Hensen to Lopez accounting for 25 yards and another t.d.

In the second period Lopez rambled 25 yards on an ends around to score.

Palm Springs converted twice on fake kicks Hensen passing once to Lopez and once to Cervantes. Stone booted the third one in the conventional style.

The Indians hung their suits up in moth balls after the game and Coach C. E. Ballagh has high hopes for a better season than the one just closed which was an in-and-out affair.

El Centro Trims Merchants, 8-0

Manager Bob Martin took nine iron men with him to El Centro Sunday to meet the El Centro Merchants. Four of the regulars were unable to make the trip so Martin patched up with four others, just enough to make up a full team and hoped that all would last nine innings. They did but El Centro won, 8 to 0.

Brayton, California league pitcher, blanked the locals while El Centro rapped Medo, Oger and Richards. Village pitchers, to ice the game early. Forbes caught for the victors and Canales for Palm Springs.

Next Sunday Palm Springs meets Brawley here and Jaime, top Sunset league pitcher this year, will be on the mound for the Villagers.

Cravath Rests Here to Forget Grid for While

Coach Jeff Cravath of the University of Southern California Trojans was in the Village last weekend.

He was the guest of Dr. and Mrs. F. A. Purcell. Dr. Purcell and the grid coach were classmates at U.S.C.

Cravath was just here for a rest and to forget football for a while. He didn't want to talk about that Notre Dame game, coming up next Saturday and, as for Michigan on New Year's day, that was out until after the game with the Irish.

News of Ramon Trailer Park

Cornelius Vanderbilt was a guest at Ramon over the weekend and plans to return for a longer stay in December. Mr. Vanderbilt, referred to as America's richest trailerite, is the proud owner of a new sleek, streamline, aluminum job which was custom built by a Los Angeles manufacturer. It is hand-somely done inside and has a complete bathroom. He refers to his trailer as a "land yacht".

Mr. and Mrs. Allen Fleming of North Hollywood have brought their trailer in for the season. Mr. Fleming is a well known car dealer in that city. Mr. and Mrs. Noble N. Anderson, of Los Angeles, new trailerites, are happy in their big Spartan trailer. They love trailer life as we live it here. The Robt. Schoonmaker family have just arrived from Amherst, N. J. Mr. and Mrs. Formoe, of Riverside have returned to Ramon for another season.

Earle L. Arnold of Glendale, and Mrs. Arnold are among the new folks to come in. Others are

the Vincent N. Figleys, of Santa Barbara, the L. C. Haslams of Santa Cruz, Clarence Kolster of Hollywood, who has come to Ramon for eight consecutive seasons, and the Clifford Rocks.

Sunday evening after the Community Sing, beautiful colored stills and movies of Hawaii through the courtesy of the R. L. Luths who have lived in the Islands many years were enjoyed.

Dr. Ben A. McBurney is away on a trip visiting a new grandson born to his daughter and son-in-law, Mr. and Mrs. Ed LeFebvre, of Pinole, Calif.

Ramon Trailer Park has a nice writeup in the December number of HOLIDAY, calling us one of the most elaborate trailer resorts in the country. The article, illustrated by beautiful Kodachrome pictures, was written by Lloyd Went. It points out the advantages to trailer living and what a large industry has developed because of it.

The George Brooks, who operate one of the trailer parks at Carpinteria, Calif., were guests at Ramon for several days.

Try answering that one 'yes' or 'no' . . . For instance, "Does a blinking red light mean caution or slow-down?" . . . Under the code, a blinking red light means STOP so the right answer would be 'no' but you gotta be cautious and slow-down before you stop so a lot of people answer 'yes' and that gets 'em . . . Why don't they just ask "Does a blinking red light mean stop?" . . . Maybe that's not complicated enough . . . There are other trick questions, too . . . And then, there are a lot of people who know all the right answers but think they apply only to the other fellow.

Someone has tossed a used cigaret package on it . . . Seems people just can't resist throwing things on the desert . . . When, and if, men get to carrying handbags as women do, it has been suggested, you know, I'm going to have a special one designed for my use . . . Equipped with a battery so that when you open it, a light flashes on . . . Just like in the glove compartment of an automobile . . . Get that idea after seeing women rummage in the dark of the depths of a big and roomy handbag, the kind I'd need . . . Mrs. C. says I got the idea from opening the refrigerator door . . . Photo-Finish

Judges in choosing the winning slogan for Palm Springs continuous "Clean-up" campaign are "dead-headed" in their selection.

In order to break the deadlock a one-line slogan instead of a poetic couplet is wanted. Make it brisk, fresh and full of punch and have it in the mail by tomorrow night. A decision will be made by Friday.

Mrs. Jimmie Starr, wife of the Hollywood columnist was the latest victim of "car clouting" in the Village when she reported Sunday that thieves had stolen a \$350 Scottish woolen sports coat from her automobile parked near a well known night spot.

Stolen Local Checks Rapidly Being Cashed

Sixty of 250 checks stolen from the offices of Dick Mabry, local contractor, have been cashed in the Los Angeles area for a total of \$3,000, Chief of Police August Kettmann reported yesterday.

The checks were taken two weeks ago and merchants here and in Los Angeles have been warned against cashing them.

Wanted Man Arrested At Home in Village

Sought on a warrant charging issuance of checks here without sufficient funds, John Urson, 26, was arrested at his mother's home on Calle San Raphael Saturday.

Judge E. E. Theriault fixed bail, which was posted, at \$1,000 pending trial on Dec. 12.

★ Recently, a study was made to determine the present state of health and well-being of 78 diabetics who had been placed on a diet and Insulin twenty years before. Previous to Dr. Banting's discovery of Insulin in 1922, their chance of survival for more than two or three years would have been slight.

It was found that 77 of the 78, or 98 percent, were alive and living active, useful lives.

Diabetes cannot be cured, but scientific management under the direction of a physician gives comfort and happiness to otherwise hopeless people. Do not be misled by claims for so-called diabetic cures. There is but one safe treatment, and it is thoroughly understood by your physician.

We maintain complete stocks of diabetic supplies, subject to your doctor's specifications.

Soroptimists Receive Gift

Soroptimist club of Palm Springs met in monthly board and business meeting at Frances Stevens school last week.

A beautiful set of china was presented the club by the El Centro Soroptimists who sponsored the local group last spring.

First weekly luncheon for December was held this noon at the Desert Inn with Mrs. Nellie Coffman, honorary member, scheduled as speaker of the day.

Clothes, Gems, Cash Taken by Burglars

Richard V. and George Van Vorst, 1565 Lombardy road, Pasadena, reported to police that their cottage on the grounds of a local hotel was entered by burglars Thanksgiving morning and \$450 in clothing, jewelry and money taken.

The burglars gained entry by forcing a back door of the cottage open. Police officer Howard Poe was assigned to investigate the burglary.

Horse Tales

By RYDER

Down at the Rancho stables Monday evening, a group of local gals got together and formed the Bit and Spur riding club. They have not elected the officers as yet but did arrange to have a ride at 2 p.m. Dec. 7. Marjorie Hyde (the founder of the Los Compadres; Jackie Bush; Pauline Piznate; Virginia Brown; Janine Fournier; Sadie Thompson; Mary Jean Flynn; Evelyn Simile; Joyce Ara; Elizabeth Timmons; Pat Newton; Helene Smith; Joyce Schmidt and Louise Grace were the ones responsible.

Over at the Araby stable is a little pinto belonging to Carol Malouf. Carol is one of the younger riders and does right well in the saddle. . . . Cliff has gotten himself some chickens to supplement the table of the stable but it seems that the hens prefer to lay their eggs in the hay and it is always a race to see if one of the boys can get the egg before the horse eats it. At this writing the score stands—boys two—horse 2500.

Jim Shaw and Wally McDonald at the north side location ("The Stables") have a very fine collection of pictures in the office. Wally has been around here for many years and is quite interesting to talk to about the old days when people really rode instead of only talking about it.

ONCE UPON A TIME the Los Compadres gang invited the Redlands Mounted Police to a breakfast ride down here and now they are going to be paid back. This Sunday the club was invited to be guests at a Gymkhana and venison bar-b-cue in Redlands.

Thoughts while riding department—Billie Mosley and Law Officer Howard Poe rode the skyline trail Wednesday morning. Like all the other trails, it could use a bit of repair. . . . Wouldn't it be wonderful if all the stables could afford to send a guide with each rider? There would not be all this running of horses in deep sand.

Monty Montana, one of the top ranking combination trick riding and rope artists is visiting Ash McDonald at the La Cita stables this week end. Ash was Monty's employer a few years back. Since then there has been an addition to the string. Monty is married to a charming girl named Louise and they have a little Monty and a small edition of Louise named Linda. . . . Woody Wilson has left Thunderbird Ranch and is replaced by Don Jones. . . . Dutch Meyers is trying to get rid of a couple of his ponies. . . . Cost of living is too high with such a big family these days. . . . When you see Geo. Rasmussen again, ask him when he is going to learn the color of the Dodge. . . . It seems George parked the car and thought it had been stolen. After reporting it to the local law, they gave him a lift to the scene and there was the car. . . . If you want to know how to tie a horse while putting the saddle and bridle on, just ask Bob Wilson at Deep Well. . . . Jerry and Jen Weber of the Palm Springs Pueblo are very horse minded and take part in almost all the events. . . . Mickey, Donald and Pluto were all tied up for Thanksgiving but sent Pappy (Walt Disney) to Smoke Tree for a rest. Walt and his two daughters Sharon and Diann are among the regulars on the trails almost every day. . . . BLACKIE IS BACK. . . . Jenny Lawson has brought Blackie back

to the Village and has put him in the stable out there where the trees are smoking. Blackie is getting a little age on him now but he still carries his mistress on all the rides.

THE DESERT RIDERS had their first Steak Fry Tuesday evening. Jack (the Desert Chef) Boyer did the honors and Tony Burke called the meeting to order. The main topic of discussion was, "Maintenance and building of trails and free ways for horses." The Riders do a lot to keep and improve the trails. . . . and so do the other riding clubs in town but they all need some help. . . . Isn't there anyone who would like to do something to help these folks? . . . Bill Nichols has a new boss but he said there would be no change in the policy of the La Paz stable. . . . Dean Thomas, Joe Butler, Hutch Mosely, Ernie Andre and a lot of others were doing some calf roping last Sunday.

Pete and Alyce Bennett are here for the holiday and will remember the fun they had at the gymkhana Thursday. . . . Mr. and Mrs. Fred Jordan, Mr. and Mrs. Fred Drew, Robert Littler with daughter Elizabeth are among some of the most ardent S. T. riders. . . . Mrs. Raymond Joseph, who has not ridden for about 20 years, was watching her daughter take some lessons and decided to do the same. Now after a long lay-off, she is again riding the desert like a trouper. . . . Mrs. Miner, owner of one of the hotels here in town and has been kept quite busy up there since they have started construction on a swimming pool. . . . Jerry Mack was out shopping for a sink 't'other day. . . . Lucy Barnett is enjoying her "work" at Thunderbird ranch these days and is looking forward to a wonderful Dec. 25.

Throng to Attend Annual Auxiliary Hope Chest Dance

The annual "Hope Chest Dance", sponsored by Owen Coffman Unit, American Legion Auxiliary, Saturday evening, at the Three Musketeers is expected to attract a large gathering. An evening of fun and entertainment is anticipated.

Clyde Smith and his Smoky Wranglers will furnish the music. A special feature of the evening will be the dance exhibition by a popular group of dancers from the Los Compadres club, staged by Virginia and Kenny Paul, Billy and Hutch Mosely, Alice and Joe Butler, Shirley and Jimmy Cooper, with Harry Kester as the caller.

Bank Employees Will Get Bonus

A special Christmas bonus to employees and officers of Bank of America has today been authorized by the board of directors of the bank, according to L. M. Giannini, president. The bonus will affect a large group in the Palm Springs branch of which Fred Ingram is manager.

This special Christmas bonus brings the total of employee bonuses declared during the past fiscal year of the employees' profit-sharing plan to more than \$2,000,000.

Escrow Group In Session Here

Other officers elected were: Irene Johnson, Palm Springs, first vice-president; Delbert Harris, Riverside, second vice-president; and Mary McDonald, Arlington, secretary-treasurer. Cathedral City News Roundup

Reported by MARY WOLSETH

Woman's Club to Meet Wednesday To Talk Gardens

The Woman's club will hold its regular meeting on Wednesday, Dec. 3, at the Town Hall. Mrs. Josephine True, a member of the club and a board member of the Desert Museum will speak on the planting of desert gardens. Mrs. True is one of the early residents of Cathedral City and came here from New England where she had made a name for herself as a bee farmer. Her book, "Following the Bee Line" has been read by many who are interested in producing honey and is also good entertainment for those who merely like to eat it.

There will be a brief business meeting and refreshments will be served by the hostesses.

Adult Classes Growing Rapidly At Cathedral City

Enrollment in the adult education classes held at the Library twice a week has increased to over 90 and Andy Lester says that it will be closed before long and then applicants will be put on a waiting list. Members of Susie Keifer's jewelry class has been thrilled with the production of simple silver bracelets which they make under her supervision. She assures them that it doesn't take many lessons to learn how to make most of the ordinary adornments. There will be many coin purses in the Christmas stockings this year as the leather craft started out with this as their first lesson.

Harper To Speak At Cathedral City C. of C. Meeting

The Chamber of Commerce will hold its monthly meeting at the Town Hall on Tuesday, Dec. 2, at 8 p.m. All members of the chamber were notified by post card of the meeting and are urged to be present as there is new business important for the consideration of the entire community.

Harry Harper, manager and secretary of the Palm Springs Chamber of Commerce, will talk of "The Value of a Chamber of Commerce to a Community". Mr. Harper was formerly the secretary of the county Chamber of Commerce and is well versed in his subject.

Street Paving Plans Outlined

In case the residents of Cathedral City think that the road department has abandoned the paving of roads in the town it is said on good authority that the next step is about to begin—putting in the gravel. This will be followed by tar, rolling and finishing. It seems that a wholesale method is followed and each step is done for all.

James Easley, county supervisor, complimented Cathedral organizations for their cooperation and ability to push for the things they want done. He pointed out the advantage of this to the Palm Springs organizations.

Never violate the sacredness of your individual self-respect. Be true to your own mind and conscience, your heart and your soul; so only can you be true to God. —Theodore Parker.

Cathedral City Personals

Mrs. Dorothy Maddox, secretary of the Woman's club and director of the sale of tickets for the two door prizes, has been ill with a severe kidney infection and will be unable to take an active part in the operation of the Fair on Saturday. She is one of the best workers in the community to which she came two years ago. She lives in the second house from the corner of the Glenn avenue on B street and says she'd like to have her friends call.

Mrs. Dorothy Becker of Becker's court, also a willing worker for community betterment, volunteered her services as a corresponding secretary for the Woman's club and was gratefully accepted by the president, Mrs. Bessie Kelley. Mrs. Becker has had years of business experience and the club is lucky to have her proficient help.

Christina Lillian, Mack Moore, Betty Bleeker and fifteen guests from Desert Lodge were guests at a Thanksgiving dinner at the Wolseth home on Thanksgiving day. Mrs. Anne Reilly was co-hostess and the turkey came from Esther Woods.

Mrs. Lolita Waller is a committee of one for date collection from the ranchers in the nearby date gardens. She says that they have all promised generous contributions as they did last year, when over \$200 were realized by the sale of the dates at the Fair. Date growers of Indio also contributed generously.

Mr. and Mrs. Paul Clark spent Thanksgiving with Mrs. Clark's parents in Van Nuys. Paul Clark, the able secretary of the Chamber of Commerce, has been suffering from severe arthritis in his spine this fall and has been unable to take his usual active part in community activities.

Mary Moore, the popular vice-president of the Woman's club returned Monday from an extended trip to the middle west where she spent most of her time in Minneapolis visiting her father, Brigadier General Harold P. Howard. General Howard was an officer in the regular Army and served in the cavalry and was also stationed for some time in the Philippines.

The Bill Hillery's entertained Mrs. Josephine White from Juneau, Alaska, and her daughter Lenore of Los Angeles last week. Mrs. White is curator of the Territorial Museum in Alaska.

and purchase the extra stamps they are going to need for their Christmas cards and letters," he said. "This is one phase of Christmas shopping that can be completed early, and it will help up a great deal in speeding up traffic at Post Office windows during December."

THE POSTMASTER recommended that Christmas cards be sent first-class where there is any possibility that the address may be incorrect or incomplete, since only envelopes bearing a 3-cent stamp have forwarding privileges.

Stressing the need for complete and accurate addresses, he pointed out that thousands of cards and packages are days late arriving every Christmas season, or end up at the dead-letter office, because of insufficient addresses. He emphasized that zone numbers should be included whenever available to speed delivery.

PARCEL POST PACKAGES cannot be accepted unless they are stoutly wrapped, he said. "This means heavy cord, sturdy outer paper, and heavy cardboard inside. Packages must not exceed 70 pounds in weight, and are limited in size to 100 inches in length and girth combined."

Christmas cards can be handled more readily if they are tied in bundles, with all the envelopes facing the same way and the stamps in the same corner. Progressive mailings over a period of several days eases out the work at the post office, he added.

Saving food is everybody's job . . . because everybody will benefit from the peace it will save! Europe is hungry. Frost, drought, flood and war damage have cut Europe's farm products way down. Hungry people are victims of discontent . . . and discontent breeds chaos. We must help them rebuild their countries along healthy democratic principles. We must help them with food now! Save wheat! Save the peace.

Many Merry Parties Mark Thanksgiving

Village Homes Gay
Scenes as Holiday
Spirit Prevails

The Thanksgiving weekend saw many people and parties in Palm Springs, and as always cocktail and dinner parties were in the majority.

Mr. and Mrs. Kenneth Kirk, who have recently returned to the Village gave a cocktail and dinner party Friday in honor of Mr. and Mrs. Thomas Fleming of Chicago. The Flemings have been in California about a month and will return to Chicago this week. The Kirks' guests were Mr. and Mrs. William Malouf, Dr. and Mrs. John Costello, Mr. and Mrs. Vincent Marco, Mr. and Mrs. John Gabriel, Mr. and Mrs. Harold Murphy, and Mr. and Mrs. A. Carmen Smith and Mr. and Mrs. Ernest Soister of Los Angeles.

Pouring cocktails on Thanksgiving day were Mr. and Mrs. William Malouf, for a large group of their friends. Following the cocktail party, the Maloufs entertained a small group for Thanksgiving dinner. Among their guests were Mrs. Malouf's sister and brother-in-law, Mr. and Mrs. John Gabriel of Fullerton, Mr. and Mrs. Tom Fleming, Mr. and Mrs. Robert Ransom, and Mr. and Mrs. Frank Belcher of Los Angeles.

On Thursday morning Mrs. John Robertson Macartney gave a lovely breakfast to honor Mrs. Josephine Sprague, who is to become the bride of Mr. Gordon Feeckings this month.

On Wednesday Mr. and Mrs. William Wright gave a cocktail party in their home to celebrate Mrs. Wright's birthday.

Gifford Phillips and Ludlow Flower entertained for cocktails and buffet supper Saturday night around the pool in their patio. The two young men have been in the Village for two weeks and will return shortly for their Denver homes. Among their guests were Mr. and Mrs. Shelton McHenry, Mr. and Mrs. Carter Ludlow, Miss Barbara Brown and Anthony Burke, Roy Peed, Miss Linley Wood and Secondo Guasti, Miss Maria Scheller and Tom Call, Miss Sandra Shearer and Charles Irwin, Miss Elizabeth Oster and Nacio Brown, Jr., and Kenneth Schmidt.

Mrs. Noble Banks entertained for cocktails the same evening in her home. Her guests included her houseguest, Mrs. Florence McTague, Mr. and Mrs. Ben Gale, and Mr. and Mrs. Kenneth Kirk.

The Lanai Room of the Tennis Club was the scene of a lovely cocktail party given by Mr. and Mrs. Fred Collinge of Los Angeles, guests at Tahachee Lodge. Among their guests were Dr. and Mrs. James Potter, Mr. and Mrs. Gene Ellery, Dr. and Mrs. Wallace Dodge, Mr. and Mrs. Henry Berg, Mr. and Mrs. Donald Ryan, Mr. and Mrs. Lee Bering, Mr. and Mrs. Rathbun Hees, and the Hees' houseguests, Dr. and Mrs. Mark Cameron.

Mrs. Brown Is Back for Winter In Palm Springs

Mrs. Ona Brown, well known Palm Springs socialite, has returned to her winter home here after a summer spent in New York, Bermuda, San Francisco and Tahoe.

She went east by private plane and from New York flew to Bermuda, then came west to spend the latter part of the summer.

As her guests this week are Mr. and Mrs. James Norris of Chicago who have just purchased a large apartment house in Hollywood. They will be in the Village for ten days.

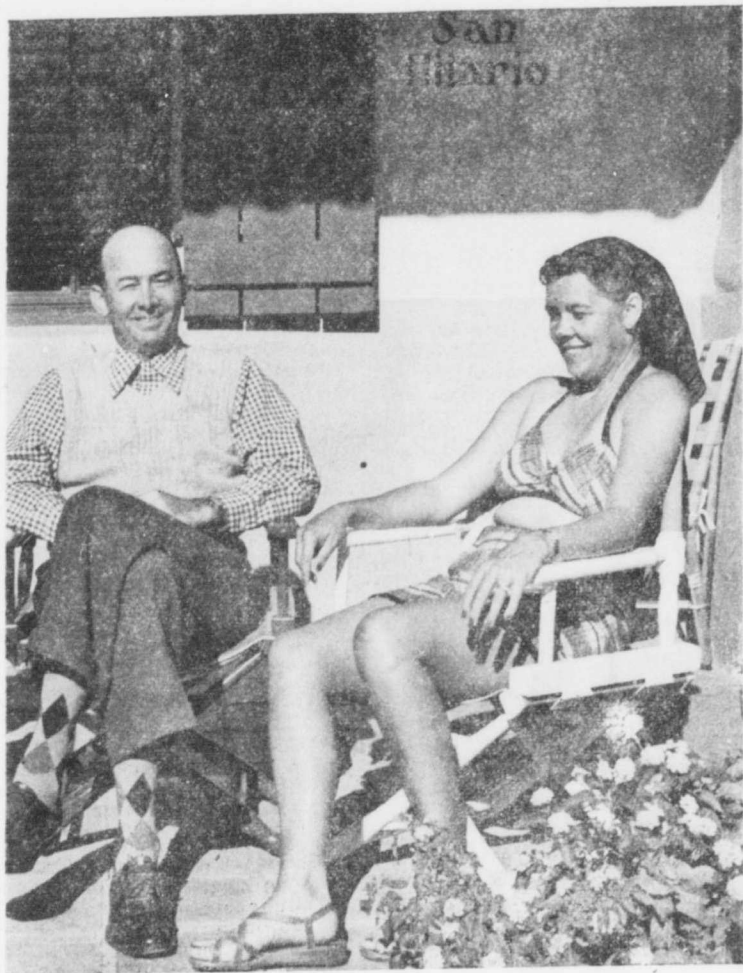

Mrs. Brown plans many events at her home on Palo Verde.

Dorothy Gray Fashion Show Planned Friday

Newest round-the-clock town and country fashions will be previewed at the Highland Springs guest ranch, between Beaumont and Banning, Friday in a show presented by the Dorothy Gray Specialty Shop of Palm Springs.

Famous names in the style world will be featured in the show and the accessories will also bear labels of the smartest firms. The show is being staged by Pat Felton and Mary Edna Borden of the Dorothy Gray shop and will be commented by Mrs. Caroline Burke Adler who is well known in New York and California art circles.

The Dorothy Gray fashion show is a new feature at the Highland Springs resort and the first of similar features planned.

AT LA QUINTA—Mr. and Mrs. Holmes P. Tuttle of Pasadena relaxing on the porch of their bungalow, "San Hilario," at the beautiful Hotel La Quinta where they are enjoying an extended stay.

JOYA and JAYNO Tell All

What well known Village visitor who just divorced her latest husband came here to get away from it all and ran into two of her discarded ex's?

Heard Nacio Brown Jr. (son of the famous song writer) took over the show at the Circus room of the Chi-Chi Saturday night and did an admirable job of it when Don Hornsby stepped down for a breather. . . . A hush fell over the audience as Nacio began playing and wisecracking with Don Hornsby. . . . The audience consisted mainly of Nacio's friends from Los Angeles; for example, Tom Call, Maria Scheller, Linley Wood, Secondo Guasti, Ken Schmidt, Ted Call, Charles Irwin, Betty Oster, George Bailey, and many others. . . . Across the street at the Dunes until two o'clock curfew were Ludlow Flower, Gifford Phillips, Barbara Brown and several others having a gay Saturday night. . . . And the street in the Doll House dancing most anywhere they could find a spot were the William Powells, the Lou Minters, the Vinnie Hickses, the Jack Freemans, the Dave Harlicks, Ann Taylor with Max Schulman, and Rory Calhoun (another bobby-sox idol).

Visiting here and there. . . Col. and Mrs. Andrew Drum and their sons with the Robert Morris. . . . At Sage and Sun in Palm Village the Ray Martins of L. A., the M. L. Godfreys and family, and the R. Trueries and family. . . . At Deep Well guest ranch the Durward Howes (the recently opened a branch of his jewelry shop in the Desert Inn), with their son Durward, Jr., and their daughter and son-in-law Dick and Doreen Hamilton. . . . At Estrella Villa the John McClures and their daughter Beverly McClure Errett. . . . Visiting the Frank Davies were the Bertine Piggotts, the Paul Beldings, and the Vance Bookers. . . . Mr. Booker (Mrs. Davies' brother) brought a substitute for the proverbial Thanksgiving mince pie in the form of a watermelon from his ranch in the San Fernando Valley. . . .

If tennis were only as easy as Jack Kramer, Dinny Pails, and Don Budge made it look at the Racquet Club! Also playing there this weekend were Jack and Eleanor Cushingham, Bob Stack

High Finnish Officials Here

Two distinguished visitors in the Village this weekend were Arvi Himberg and Aarne Ervi of Helsinki, Finland. Both men have been in this country for two months and are returning shortly to Europe.

Mr. Himberg is the Consul-General of Finland and the President of the Finland Olympic Committee. On his way to the Atlantic Coast he is stopping in Chicago to discuss plans for the 1948 Olympic Games which are to be held in London with the President of the American Committee. He is already excited about the prospect of the 1952 Olympic games being held in Finland.

Mr. Ervi is one of Finland's outstanding architects. He is very interested in modern architecture and spent most of his time in Palm Springs studying and photographing our many examples of this new type of architecture such as the Tennis Club, Raymond Loewy's home, and the home of Edgar Kaufman.

Cliff Henderson played host to a large party at the Tennis Club Saturday night. His guests included Pat Wallace, Cornelius Vanderbilt, Jr., Truman Vincell, David Bronaugh, Terri Randall and Madge Bellamy. . . . At another table were Vera Ralston, John Carroll, the Austin Old, Charles Skouras, Herbert Yates (Pres. of Republic Pictures) and the Mike Rosenbergs. . . . At the Paul Trousdale tables were the Russell, the John Irwins, the Russell Wades, the Harry Reids (Jr.), Ralph Kaipers, Walter Topper, Bill Williams, and Jackie Sterling Nash, the Omar Fareeds, the Ben Gales, and Mrs. Marie Belyea. . . .

Enjoyed meeting Arvi Himberg (Pres. of Finland Olympic Committee) and Aarne Ervi (Finnish architect) who visited the Village for the day with Mrs. Mary Bailey, Mrs. Emily Miller, and Mrs. Dorothy Dudley. . . . Someone said it: Why don't you go fill a tub with Jergen's lotion and soften to death!!!

Guests motoring there from Los Angeles included Blanche Bagnall, Mr. and Mrs. John McClure, Mr. and Mrs. Edward Ballgren, Mr. and Mrs. William B. Malout, Dr. and Mrs. Reuben Larson. Others joining the party are to be the Earl Cordreys and Charles Bedeaux, of Palm Springs; Ann Cutler, New York, and the hosts' daughter, Beverly Ransom.

N. O. Turners Holiday Hosts

That looked-forward-to Thanksgiving vacation brought many school boys and girls to Palm Springs this year as it always has in the past.

Square Dances Mark Holidays

At the neighboring guest ranches, Deep Well and Smoke Tree, square-dancing enthusiasts got together on Friday night.

Billy Wright's Birthday Cause For Gay Party

Billy Wright, well known Village realtor celebrating his birthday last week at his home where he and his wife hosted a delightful cocktail party, grew highly diffident about disclosing the number of summers he has lived.

"Congratulations on your 37th birthday."

With the reading of the tele-
